H.U.M.A.N. Healthy Vending

Helping Unite Man And Nutrition

Your All-in-One, Automated Health Store! Quit wasting your time with a sub-par juice bar, theft-encouraging beverage coolers, and counter-top programs that lose money. Get up and running with our made-for-health-club H.U.M.A.N. Healthy Vending Machines to boost your profits, save tons of time, and increase your membership count.

H.U.M.A.N. machines include credit card readers, digital video displays, touch screen LCDs, & more. We give 10% of proceeds to charities that fight obesity & malnutrition. [Become H.U.M.A.N.!](#)

Product Spotlight

HealthGuard UVC disinfects sporting gear with light!

[HealthGuard UVC™](#) is a first-of-its-kind, UVC disinfecting-sanitizing station utilizing germ-killing ultraviolet germicidal (UVC) light to quickly disinfect and sanitize gym, athletic bags, and sporting equipment. Ultraviolet-C (UVC) light eliminates bacteria like staph, as well as viruses, mold, yeast, and other germs. UVC light has been used for more than 70 years in hospitals, pharmaceutical manufacturing plants, and food processing facilities." HealthGuard UVC is marketed by CleanLight Technologies, a leader in innovative UVC applications.
